Sip a steaming cup of coffee in a rocker on the front porch overlooking 33 glorious acres of nature's finest handiwork, and watch as the quiet morning mist gives way to a glorious Smoky Mountain day. Breathe in the crisp morning air now intermingled with the aroma of muffins and biscuits baking in the oven. Soon you'll be enjoying a bountiful breakfast feast.

Only minutes away from Dollywood, outlet malls, music theaters, golf, skiing, horseback riding and all of the nearby attractions. Whether you take a picnic lunch to the Great Smoky Mountain National Park, or

shop and play in town, you'll be certain to have a great day filled with fun and adventure.

Return in the evening to relax by the fireplace and enjoy delectable desserts and conversation. Afterwards, retire to one of our spacious bedrooms. Each room has a private bath, and some have a whirlpool and fireplace.
